You'll take a step back in time as you experience this magnificent tribute to the birthplace of golf and its rich traditions. Just outside of Dallas, Texas, The Tribute Golf Club features the finest elements of traditional Scottish golf. Characterized by wind-swept dunes and seawashed grasses, golf architect Tripp Davis' design was inspired by the greatest golf holes in the world from such renowned courses as St. Andrews, Troon and Prestwick in Scotland.

Measuring 7,002 yards from the back tees, this links-style course features four sets of tees on each hole to challenge players of all skill levels. Even the beautiful clubhouse at the Tribute has been styled after the classic structures of Scotland and serves as a place to experience warm Scottish hospitality.
